**Take Your Game To College!**

Dear Future Sponsors:

I am a local volunteer for College Bound Athletic Connection, an activity of Christian Sport Camps, an Ohio non-profit organization founded in 1976. College Bound Athletic Connection promotes high-school athletes to college coaches and scouts to help them receive scholarship money. College Bound generally receives a small fee from the student athlete in exchange for placing the student's biography on the internet usually with a sports video clip. College Bound has built databases that allow us to E-mail and "Snail" mail the student's biographies to college coaches.

Our mission is to get kids to college, to keep them positively active in high school while developing self-esteem. The high school drop out rate in some school systems is appalling. We also offer the Homework Hotline Coaching/Tutorial Program where we offer Act/Sat Coaching Classes. Cost to attend our classes are low because of generous donations and public support generated from our fundraisers each year, including our golf outing. Also, we are active in the Columbus, Ohio community. College Bound sponsors youth travel basketball and soccer teams. In fact, one of our teams won the Indoor North American Soccer National Championship in 2000. For the last 9 years, we organized and ran the College Bound summer basketball leagues at the Downtown Columbus Boys and Girls Club and Hilliard Darby High School. More than 50 high school and middle school teams participated in our leagues. We plan to expand our league this summer to another Central Ohio location, adding even more teams. Our organization has always been privately funded and directed by volunteers.

I am writing to you regarding our fifth annual ***golf outing-fundraiser*** to be held Friday, August 10, 2007 at Willow Run Golf Course, State Route 310 and 161 in Pataskala, Ohio 43062. Proceeds from the golf outing will be used to keep our prices low, purchase sports equipment and uniforms and expand our program nationwide. We believe we can help kids get to the next level while gaining an education.

***We are asking for cash donations and/or items for door prizes and awards.*** A typical donation is \$150 per hole. For this we will provide a sign with your Company's name at a hole, or you can decorate the tee box as you choose. Sponsors donating \$250.00 or more will get a golf hole with their name and in addition will be linked on our website in gratitude for the company's generosity. ***Contributions are tax deductible. Please support this outstanding program!*** Our home page at [www.gocollegebound.org](http://www.gocollegebound.org) has more about our programs and the golf outing. Please contact our office with any questions. Looking forward to hearing from you, and please join us at the golf course.

Thank you,

Andrew Ellis,
